ABOUT US

Al Khalili Project Supplies

Welcome to Al Khalili Projects Supplies is a distinguished infrastructure solution provider team under AL KHALILI UNITED ENTERPRISES LLC, committed to delivering excellence in construction and infrastructure projects. comprising qualified engineers and technical sales professionals, stands ready under the auspices of Alkhalili to address the unique demands of the industry.

At Alkhalili Projects Supplies, we prioritize a precise understanding of project requirements to offer tailored technical solutions that align with commercial expectations. We specialize in the specification market, engaging with projects from their inception and design phases. Our engineers collaborate closely with design consultants, leveraging their technical expertise to ensure project needs are met efficiently.

As exclusive representatives of leading global brands in the Sultanate of Oman, we maintain strategic partnerships that allow us to provide unparalleled support to cost consultants, particularly in matters concerning commercial aspects. We advocate for value engineering, striving to optimize project costs without compromising envisioned quality standards.

Our dedicated support engineers maintain close communication with all project stakeholders, offering expert guidance to identify optimal solutions that match specified requirements. Our sales engineers go beyond product transactions, facilitating the alignment of solutions with project demands.

Alkhalili Projects Supplies offers comprehensive solutions tailored to the construction industry, encompassing:

- **Civil and Architectural Products:** Flooring Solutions, Ceiling Solutions, Furniture Fittings and Ironmongery, Steel and Wooden Doors, Cladding, and Wall Finishing Products.
- **MEP (Mechanical, Electrical, Plumbing):** Water Heaters, Calorifiers, Heat Exchangers, PPR (Polypropylene Random Copolymer), Plumbing Materials, Valves, Drains, Various Pumps, and more.
- **HVAC (Heating, Ventilation, and Air Conditioning).**
- **Water and Wastewater Management.**

We invite you to explore our diverse portfolio of offerings, crafted to meet the evolving needs of construction and infrastructure projects across Oman. Alkhalili Projects Supplies is your trusted partner for innovative solutions and exceptional service.

MEP

PUMPS

Wilo (Germany / France): - The Wilo Group is one of the world's leading premium providers of pumps and pump systems for the building services, water management and industrial sectors. In the past decade, we have developed from a hidden champion into a visible and connected champion. Today, Wilo has around 8,000 employees worldwide.

Pedrollo (Italy): - Pedrollo is world renowned brand within the electric pump sector. Facilities, technology, professionalism.

Centrifugal Pumps

Submersible Pumps

Inline Pumps

End-suction Pumps

Sump Pumps

Split Case Pumps

PPR PIPE & FITTINGS

Techno Plastic Industry (Oman): - Techno Pipe Systems include a range of pipes and fittings from 20mm to 125mm of non-toxic, non-porous, low thermal conductivity, corrosion resistant material.

Coprax (Italy): - Over 120 years in the production of piping and fittings for the supply of hot and cold water under pressure. Quality "Made in Italy"

- Monolayer PPR Pipes
- Multi-Layer PPR Pipes
- PPR Fittings
- Gas MPDE
- Firefighting

WATER HEATERS

Rheem (USA): - The innovations we have developed throughout the years in the heating, cooling and water heating industries are a direct result of that process. And we have a long list of industry firsts to show for it, with more to come

Zenith (UAE): - Zenith Water Heaters are manufactured by Star Industrial products LLC. Established in UAE in 1996. It is the first water heater manufactured in the middle east with Glass Line Technology. Under the astute guidance & leadership of the group chairman H.E. Sheikh Mohammed Bin Rashid Al Nuaimi. The company manufactures & distributes a wide range of water heating systems in Middle East, Africa & Asian Subcontinent.

Ariston (Italy): - Ariston, we develop the latest, most efficient technologies into accessible and connected solutions that use as little energy as possible and are designed for easy installation, operation and maintenance. Creating products that generate heating and hot water in the most efficient and renewable way possible, whatever their energy source, is the challenge we set ourselves every day. Italian in origin.

- Residential Electric Water Heaters
- Commercial Electric Water Heaters
- Solar Water Heaters
- Heat Pump Water Heaters

VIBRATION ISOLATORS

UNISON PETRA
MIDDLE EAST

Unison Petra (South Korea): - We provide rock solid design and long-lasting solutions to ensure safety of MEP services for seismic, vibration, noise and support systems.

- Spring Hangers
- Open Type Spring Mount
- Housed Type Spring Mount
- Restraint Type Spring Mount
- Neoprene Spring Mount
- Neoprene Waffle Pad
- Floating Floor
- Flexible Hose
- Rubber Flexible Connectors
- Stainless Steel Expansion Joints

FIXING & FASTENING SYSTEM

Index Fixing System (Spain): - INDEX Fixing Systems has established itself as a global manufacturer and supplier of fixing and fastening systems, being present in 90 countries. In 2004 INDEX created a manufacturing unit in China, to strengthen and secure production capacity in line with the most rigorous standards of the current markets. Today, INDEX Fixing Systems is a key brand in the market, thanks in large part to having grown with our customers.

- Metal Fixings
- Chemical Fixings
- Plastic Fixings
- Rivets
- Rigging Hardware
- Wood Screws
- Nails and Bolts
- Wood Connectors
- Nuts and Bolts
- Plus, tips and accessories
- Metal Clamps
- Plastic Clamps
- Profiles and Supports

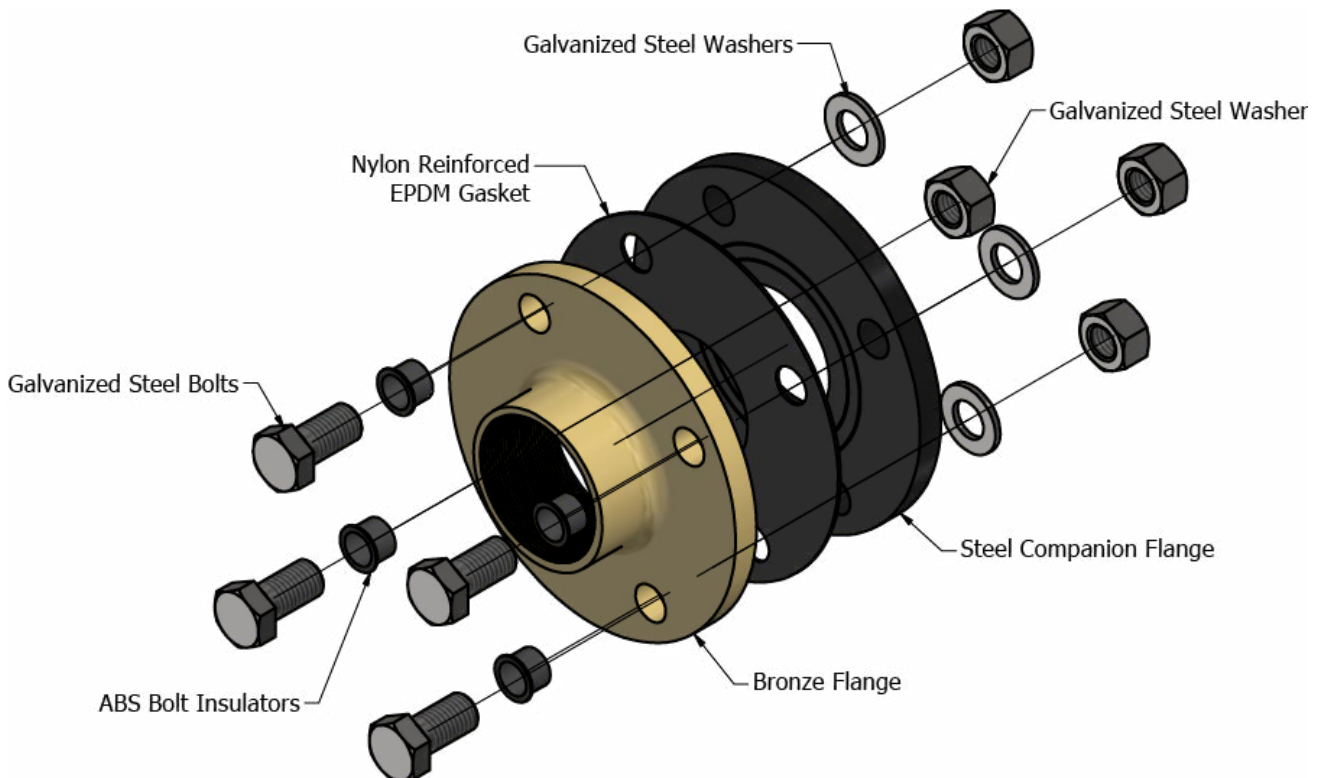

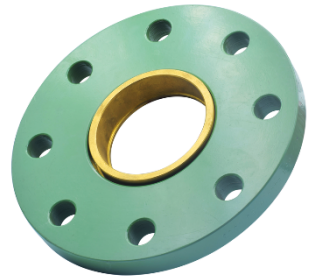

DIELECTRIC UNION/FLANGE

Envotek (USA): - Established in 1991, Envotek boasts a rich and enduring legacy deeply rooted in a steadfast commitment to excellence in the field of plumbing products.

- Bimetallic Flange
- Dielectric Union
- Dielectric Flange

HDPE PIPES & FITTINGS

الاتحاد لصناعة الأنابيب
Union Pipes Industry

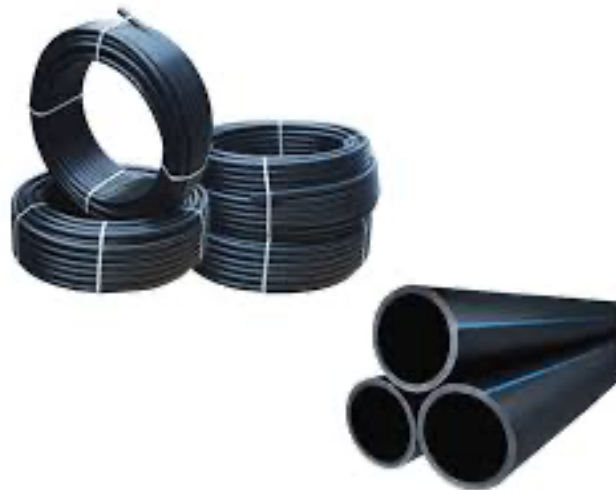

Union Pipes Industry (UAE): - Union Pipes Industry LLC (UPI) was established in Abu Dhabi in 1999 to cater for the needs of the UAE and MENA regional markets for high quality plastics pipes. UPI manufactures a range of rugged and durable pipes from Polyethylene (PE) and Polypropylene (PP).

Polyfab
Plastic Industry L.L.C.

Polyfab Industry LLC (UAE): - Founded in Ajman UAE in 2005, Polyfab Plastic Industry LLC is the trusted source of sustainable, smart, superior-quality piping, construction and infrastructure solutions in the region.

- HDPE Polyethylene Pipes
- HDPE fittings
- Pipes for Ducting
- Pipes for drainage

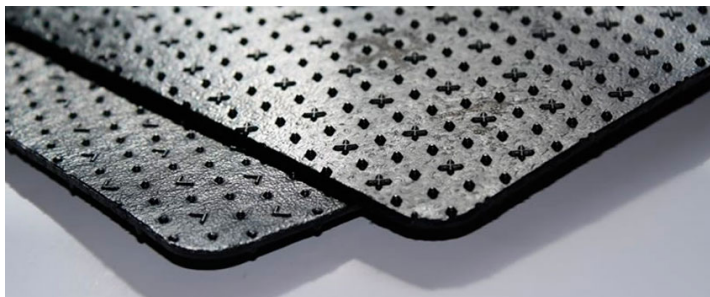

HDPE LINER

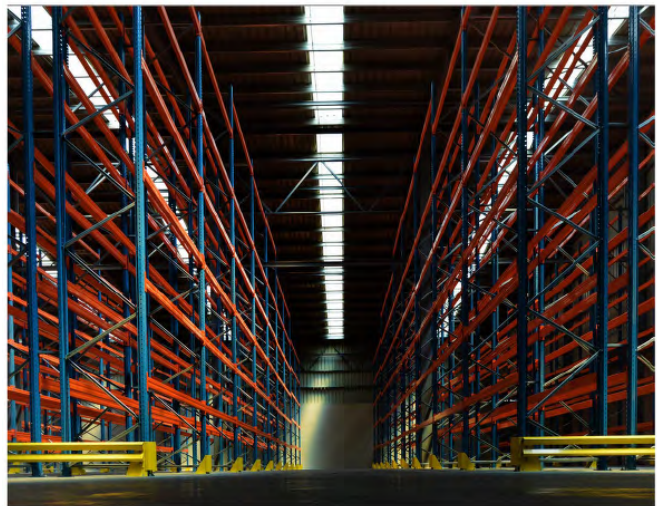

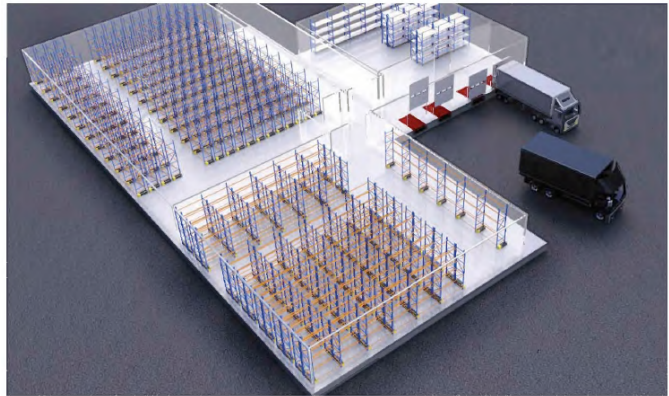

Atarfil Middle East Geomembranes (UAE): - Atarfil is a multinational manufacturer of plastic geomembranes produced with polyolefins HDPE, linear low-density polyethylene LLDPE, very low-density polyethylene VLDPE and polypropylene PP for use in Safe Containment applications.

- HDPE Geomembrane
- LLDPE Geomembrane
- VLDPE Geomembrane
- Geosynthetics
- Geotextile
- Geodrains
- Geogrids
- Geocells

STORAGE SOLUTIONS

- Racking Equipment
- Storage Solutions
(Static & Mobile Solutions)

HVAC

HEAT EXCHANGER

Alfa Laval (Sweden): - is a leading global provider of first-rate products in the areas of heat transfer, separation and fluid handling. With these as its base, Alfa Laval aims to help enhance the productivity and competitiveness of its customers in various industries throughout the world. Alfa Laval's heat exchangers transfer heating or cooling from, for example, one liquid to another. They recycle heat, optimize customers' energy consumption, cut costs and reduce their environmental impact.

MAXWOR

Maxwor (Turkey): - is leading Turkish Manufacturer of Plate Heat Exchangers. Maxwor Gasketed Plate Heat Exchangers (GPHE) are equipment that enables heat transfer with maximum efficiency by using each point of the plate surface thanks to their special plate design. It can be easily to service and maintain due compact structure.

- Plate Heat Exchangers
- Air Cooled Heat Exchangers
- Scraped Surface Heat Exchangers
- Tubular Heat Exchangers

CHILLERS & DATA CENTRE COOLING SOLUTIONS

Hiref SPA (Italy): - They specialize in manufacturing of Cooling system including Gas type or Chilled Water applications. Products ranging from IT solutions such as Closed Control Units to Air- and Water-Cooled Chillers are specialized by them.

- Air Cooled Chillers
- Water Cooled Chillers
- Inverter Chillers
- Computer Room Air Conditioning Units
- Rack Cooling
- Adiabatic CRAC Units

INSULATION

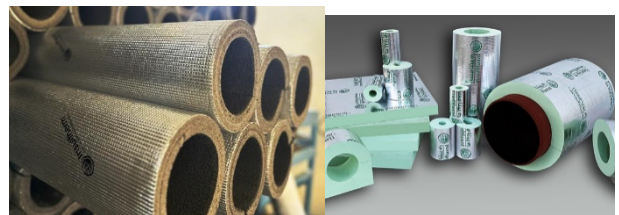

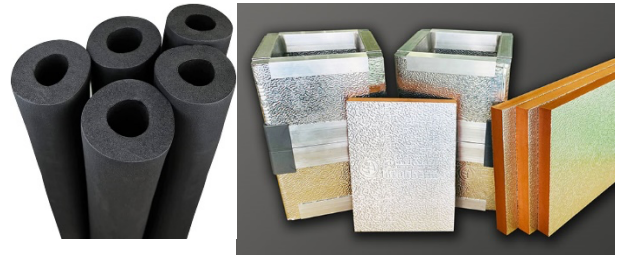

Gulf O Flex (UAE): - These products are dust free, fibre-free, CFC free, and have an ODP of zero for environmentally friendly products. It is also formaldehyde free, has low VOCs, and resistant to Mold and mildew. All our products comply with all major international standards.

Insultherm (UAE): - They offer a wide range of services such as Chilled Water Pipe Insulation, Duct Insulation, Cold Insulation, Pre-insulated Air Duct Panel, Pre-insulated Pipe and Fittings for Underground Chilled Water Piping / District Cooling Application, Cryogenic Insulation, Tank/Vessel/Equipment Insulation, Wall, Roof, Soffit, EIFS Insulation and Hot Insulation.

- Chilled Water and Refrigerant Pipe Insulation
- Duct Thermal and Acoustic Insulation
- Flexible Insulated / Uninsulated Duct
- Phenolic Foam Insulation
- Fibre Glass Insulation
- Pre-Insulated Duct
- PIR/PUR Insulation
- XLPE Insulation
- Rockwool Insulation
- Expanded / Extruded Polystyrene Insulation

METAL PIPE & FITTINGS

حديد الجزيرة Jazeera Steel

Al Jazeera (Oman): - Al Jazeera Steel Products Co. SAOG (AJSP), based in Oman is one of the leading manufacturers of steel structural products.

Dinesh Industries (India): - Dinesh Industries is in the Manufacturing of Pipes Fittings and Flanges. All products like Seamless Tee from 10" to 24 inches in Schedule 40, Butt weld elbow and all other fittings like a pipe reducer, Cross and flanges like ASME B16.5 Slip on Flange, SS blind flange come with heat number, wall thickness, and pressure class.

Om Steel Industries (India): - Om Steel is a renowned steel manufacturing company, specializing in the production and distribution of high-quality steel and metal alloys in India. With years of industry expertise, we have earned a solid reputation for delivering exceptional steel solutions that meet the diverse needs of our clients.

- MS Pipes and Fittings
- CS Pipes and Fittings
- SS Pipes and Fittings
- GI Pipes and Fittings
- ERW / Seamless

HVAC VALVES

Watts (USA): - The above mentioned brand has everything you need for plumbing & flow control, water quality & rainwater harvesting, drainage, and HVAC & hot water systems.

CRANE

Crane (UK): - Crane Fluid Systems Connected Solutions offers a range of valves with smart capabilities to support building owners and operators in reducing energy consumption and carbon emissions.

- Balancing Valves
- Ball Valves
- Butterfly Valves
- Check and Non-Return Valves
- Gate Valves
- Pressure Reducing Valves (PRV)
- Strainers
- Thermostatic Mixing Valves (TMV)
- PICV
- Automatic Air Vent
- Drain Tap
- Pressure Independent Control Valve (PICV)
- FCU Valve Kit

VENTILATION FANS

Casals (Spain): - Casals Ventilation is a centenary manufacturer of industrial fans. With two production plants located in Sant Joan de les Abadesses (Spain) and Ripoll conducts the manufacturing of all products in its catalog.

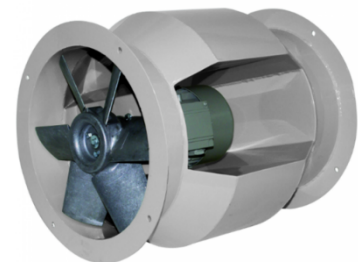

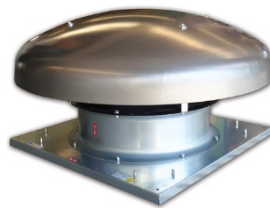

Sodeca (Spain): - Sodeca specializes in the design and manufacture of fans and accessories for industrial applications. Industrial applications require the flexibility to adapt to each project's specifications.

Profen (UAE): - Profen is one of The Best Sourcing Suppliers In The Middle East, With More Than Over 35 Brands Covering Entire Range Of Products; All Under One Roof.

- Circular Inline Fan
- Cabinet Type Inline Fan
- Twin Extract Fan
- Wall/Glass Mounted Extract Fan
- Industrial Axial Fan
- Roof Curb Fan
- Bifurcated Fans
- Long/Short Case Axial Fans
- Explosion Proof Fans

SMOKE / HEAT VENTILATORS

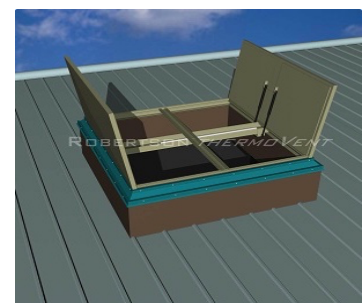

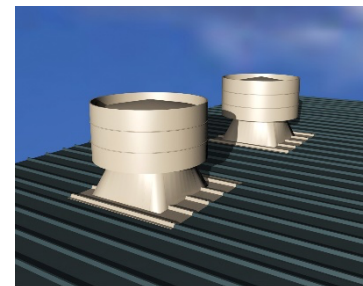

Robertson Thermovent (UAE): - This company expertise's in Conceptualising, designing, manufacturing, testing and commissioning of natural and powered ventilation systems and acoustic systems for complex building structures that include both commercial and industrial arenas

Windmaster Tornado (South Africa): - They specialize in Manufacturing of Free flow wind driven roof mounted turbine ventilators and has been under production since 1993.

- Wind Driven Turbine Ventilator
- Gravity Vents
- Low Profile Ridge Vent
- Steam Line Ridge Vent
- High-Capacity Discharge Ventilator
- Swift Single and Multi-Flap Smoke Vents

AIR CURTAINS

Olefini (Greece): - OLEFINI S.A. began its activities around 1977. Today it produces a wide range of air curtains up to 100 models, fan coils, fan heaters, plastic fans, ventilation equipment, air conditioning & heating accessories.

- Air curtains suitable for door height up to 3 meters
- Air curtains suitable for door height up to 4 meters
- Air curtains suitable for door height up to 8 meters

Casals (Spain): - Casals Ventilation is a centenary manufacturer of industrial fans. With two production plants located in Sant Joan de les Abadesses (Spain) and Ripoll conducts the manufacturing of all products in its catalog.

AIR FLOW CONTROL

ايس فاك الشرق الاوسط ذ.م.م.
ACEVAC MIDDLE EAST LLC

ACEVAC Middle East (UAE): - Operational since 1995, Betec Cad has strived to provide customized and engineered solutions for a variety of applications including airports, metros, oil and gas plants, military/defence, power plants, hospitals, and educational institutions.

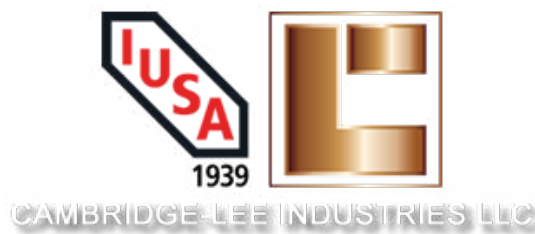

Klimaoprema (Croatia): - It is an Croatian Manufacturer of HVAC products supplying all over the world for more than 40 years.

- Volume Control Dampers
- Fire Dampers
- Motorised Dampers
- Non-Return Dampers
- Pressure Independent VAV
- Constant Air Volume (CAV)
- Laminar Flow Ceilings
- Linear Grilles
- Slot Diffusers
- Square Diffusers
- Floor Grilles
- Curved Grilles
- Swirl Diffusers
- Jet Nozzles
- Duct Heaters

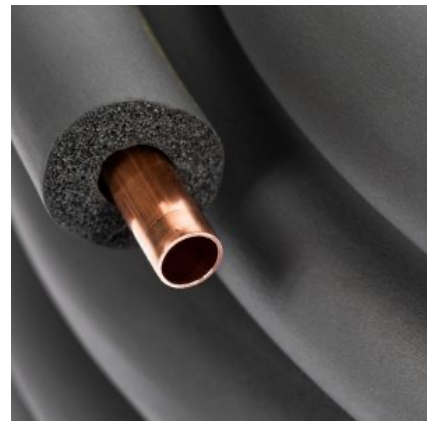

COPPER PIPES & COILS

IUSA Cambridge Lee (Mexico): - We are the copper-focused supplier to the Plumbing, HVAC, Construction, Industrial and OEM Markets and a market leader distributing globally from warehouse locations across the USA and Canada. Our manufacturing complex, located near Reading, Pennsylvania, includes a refinery, multiple casting furnaces, three tube mills and a 90,000 sq. ft distribution centre.

- Copper Plumbing Tube
- ACR, OXY/Medical Gas Copper Tubing
- Fuel Oil Lines
- Liquified Petroleum and Natural Gas
- HVAC & Refrigerant Copper Tubing

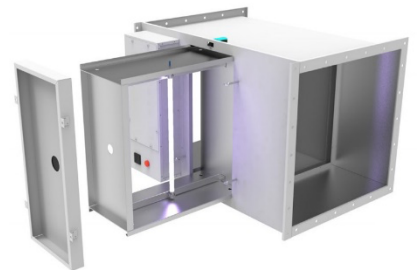

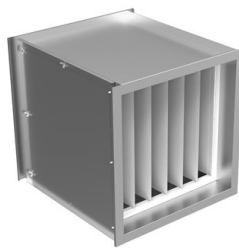

FILTRATION SYSTEMS

Klimaoprema (Croatia): - It is an Croatian Manufacturer of HVAC products supplying all over the world for more than 40 years.

- Ceiling Filtration Unit
- Laminar Flow Ceilings
- Pre-Filter Casings
- Post-Filter Casings
- HEPA filters
- Safe change BIBO filters
- UV Filters

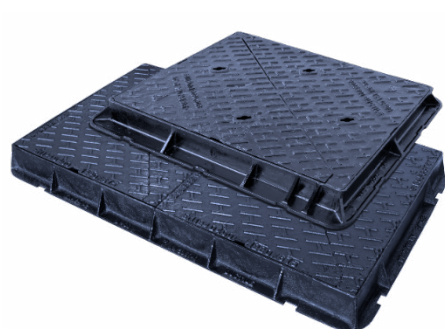

CIVIL & ARCHITECTURAL

MANHOLE COVERS & GRATINGS

Ironforce: - This brand is for the quality manhole covers and gratings, made by ductile iron. This brand meets high product specifications

- Carriage Way Cover Frame
- Double Triangular Cover Frame
- Square Cover
- Rectangular Cover Frame
- Circular Cover Frame
- Round Cover Square Frame
- Trench Grating Frame
- Tree Gratings
- Triangular Gully Grate

SEALANTS & ADHESIVES

Bostik Benelux B.V. - Since its foundation in 1974, Bostik Benelux B.V. (formerly Den Braven) specialized in the ISO-certified production of high-quality sealants, adhesives, polyurethane foams and technical sprays for the construction sector and industry. Bostik is one of the largest adhesive and sealant companies. Worldwide, employ some 5,000 people in 50 countries across five continents. Our customers come from diverse markets, most notably the industrial manufacturing, construction and consumer sectors.

- Polyurethane Foam
- Water Plug
- Conductive Adhesive
- High Performance Special Primer
- Structural Repairing Mortar
- Polyurethane sealant
- Fire Retardant Foam
- Flooring Adhesive

IRONMONGERY

Laidlaw Ltd: - A renowned ironmongery brand which can boast of many prestigious projects across the globe in its credit. Its contract range hardware products known for its commercial viability and durability. It's ideal for educational institutes, Hospitals, Commercial buildings etc.

Derby: - An architectural brand from UK, where the tradition blends with contemporary designs. The noted thing with this brand is, it's wide range of product line. It comes with almost all the stream of products in line with access control and architectural hardware.

- Pull Handles
- Lever Furniture
- Door Closures
- Panic Hardware
- Locks and Latches
- Hinges
- Anti-ligature
- Kick and push plates
- Access Control

DECORATIVE HANDLES & LOCKS

Reguitti: - You can find a variety of excellent handles made by Brass in Italy. In this brand you can find exquisite contemporary designs and reputed traditional models could be a real ornament to your doors

Yale: - A stock of this globally recognized brand is always available with us. Yale offers a verity of ironmongery products which can withstand the withering of time.

Yuni: - This brand brings cost effective solutions for the residential range of ironmongery products; Yuni is made in turkey.

- Ball Design Knobs
- Brandy Glass Design
- Tulip Design
- Key and Turn Type
- U Design Lever
- L Design Lever
- Single and Back-to-Back T-Pull Handle
- Single and Back-to-Back D-Pull Handle

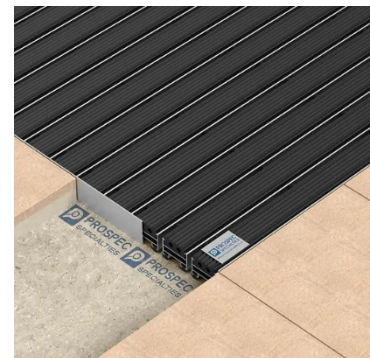

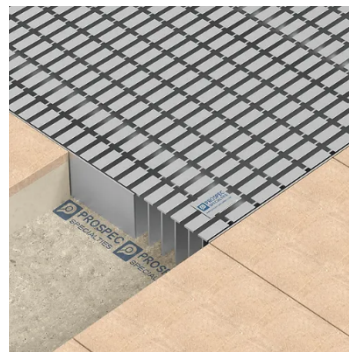

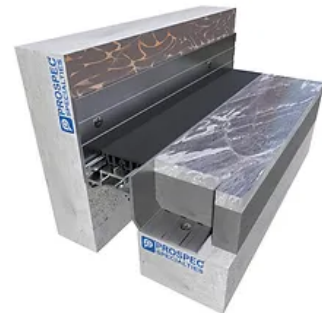

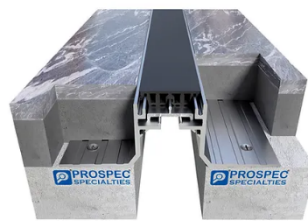

EXPANSION JOINT COVERS & ENTRANCE MAT

Prospect Specialties: - This Canadian brand is a respected one in the project sector. It has expansion joint covers, Entrance Floor Mats, Stair Edge, Flagpole, Wall Protection System, Bird Spike, Photo- Luminescent safety markings.

- Seismic Joints
- Flexible Water Gutter
- Control Joint
- Heavy Pedestrian Floor Mat

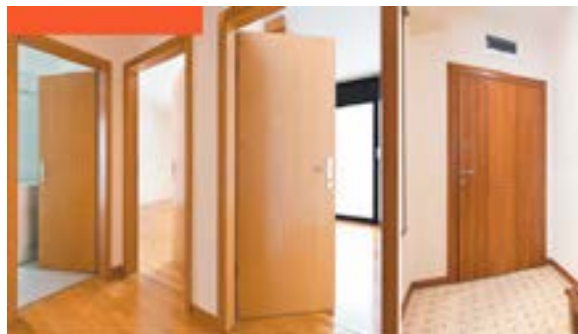

DOORS & LOUVERS

SSIdoor: - This brand is an excellent solution of door accessed. It has fire rated doors of both steel and wooden, non-fire rated doors of both steel and wooden, acoustic doors etc.

- Steel Doors
- Acoustic Doors
- Glazed Doors
- Access Doors
- Pre-painted Doors
- Seamless Doors
- Wooden Doors

CORNER / WALL GUARDS & RUBBER

Hira Industries: - Our Brand is a cost-effective solution for corner Guards, Traffic bumpers Etc.

- Corner Guards
- Wall Guards

SS / BRASS STRIPS & PROFILES

Profilpas: - It's tough to find a competitor for this brand which can best of quality and cost effectiveness at the same time. This brand is made in Italy.

- Aluminium Profiles
- 304 Stainless Steel Profiles
- Chromium Plated Brass Profiles
- Gold-Plated Brass Profiles
- 316 Stainless Steel Profiles
- Brass Profiles
- PVC Profiles

VINYL / RUBBER FLOORING & FLAG POLES

Vinyl / Rubber Flooring: - This French brand of flooring solutions can meet with any sophisticated specifications, especially in vinyl and rubber segment.

- Linoleum Flooring
- Vinyl Flooring
- Hardwood Flooring
- Rubber Solutions

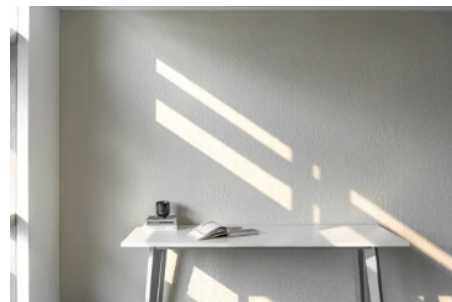

EXTERIOR & INTERIOR CLADDING

Everest: - Everest is the most reputed name in cement boards and is from India

- Super HD Wall Cladding
- Cement Wood Planks
- Textured Wall Panels

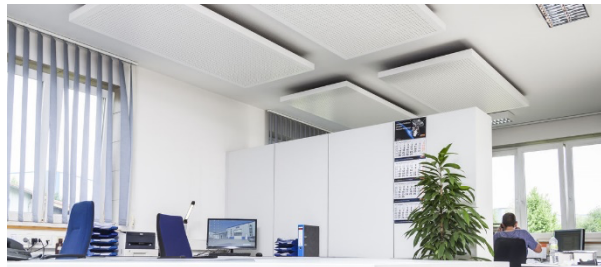

CEILING & PARTITION

Knauf: - Knauf is the world's most renowned brand in plaster boards. We can support your projects for roofing solution designing with cost effective and high spec proposals.

- Knauf MF Suspended Ceilings
- Knauf Performer Partition System
- Knauf Isolator Partition System
- Knauf Shaftwall Partition System

SANITARY FITTINGS & FAUCETS

The logo for SOMANY, featuring the brand name in white capital letters on a red rectangular background. A small blue square icon with a white 'S' is positioned to the right of the text.

Somany: - This brand well meets quality and cost effectiveness. It's a complete brand with vast line of products.

The logo for hindware, featuring the brand name in a red, lowercase, sans-serif font.

Hindware: - This brand well meets quality and cost effectiveness. It's a complete brand with vast line of products.

Ideal Standard

Ideal Standard: - This brand well meets quality and cost effectiveness. It's a complete brand with vast line of products

- Faucets
- Showers
- Bathfit Accessories
- Health Faucet

KITCHEN SINK

Akwa: - This brand can never be beaten for its value for money concept. The product line is vast and the brand rapidly growing and ensuring its dominant visibility in the retail sector.

TOILET CUBICLES & PARTITION

SOLERA

Solera: - Technical and Professional experienced team, in order to provide customized solutions designed with HPL (High Pressure Compact Laminate) for Toilet Cubicle, Shower Cubicle, Lockers and other applications to cater your needs and wants

- Cubicle with Transom (Full Height)
- Cubicle with SS Shoes
- Cubicle with SS304 with Legs
- Cubicle with Nylon Hardware
- Kids Cubicles
- Urinal Partitions

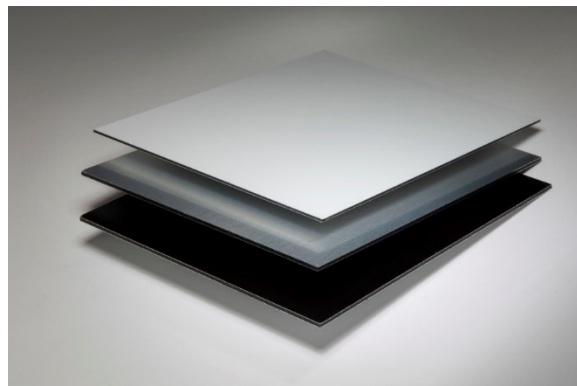

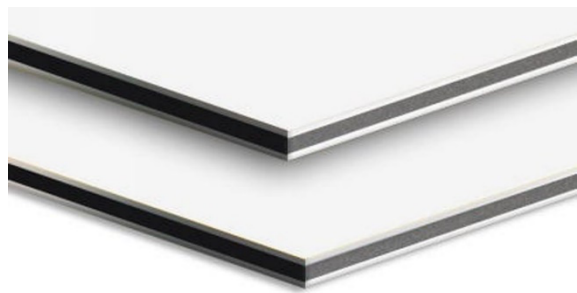

ALUMINIUM COMPOSITE PANELS

Alcobond:- Leading & Best ACP manufacturer in UAE of Aluminium Composite Panels (ACP) or Aluminium Composite Materials (ACM). ALCOBOND & CLADBOND is a global company

- Mineral core
- Fire Retardant Core

TILES

Dura Tiles: - With its rapidly growing infrastructure, today Duratiles is an industrial organization 3D producing - technical porcelain ceramic, glazed porcelain ceramic, floor and wall tiles, exterior application solution partner and project designing and sample.

Golden Tiles: - Golden Tile LLC is a management company and an official distributor of ceramic group products. The company includes its own design studio, which develops trend collections for the Ukrainian and global markets. In addition, Golden Tile is engaged in marketing and logistics, coordinating and managing regional distribution centres around the world.

Somany: - Somany is a complete décor solutions provider and its extensive range of products include - Ceramic Wall and Floor Tiles, Polished Vitrified Tiles, Glazed Vitrified Tiles, Digital Tiles, Sanitaryware and Bath Fittings as well as Tile Laying Solutions.

Pertican: - Pertican with the goal of producing beautiful products, superior quality compared to foreign competitors and new technologies established in Isfahan Science and Technology Town and was a member of the Stone Association of Iran. The company existential philosophy is produced exquisite and modern synthetic stones with a very reasonable price and without the disadvantages of traditional products.

GARBAGE / LINEN CHUTE SYSTEM

Al Osool: - Manufacturer of Fire Rated Steel Doors, Glass Door, Glass Partitions & Windows, Garbage Chute, Linen and Access Doors and Fire Cabinets

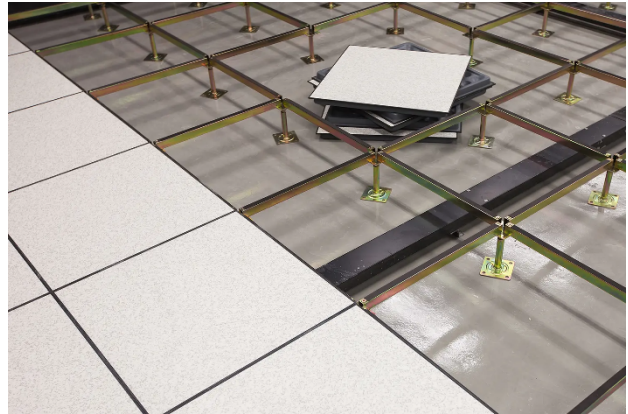

RAISED ACCESS FLOORING

Unitile: - Founded in 1994, United Group was formed with the purpose of driving excellence in construction & building materials industry. Unitile has evolved as a niche business that creates efficient spaces for the modern world through raised access flooring. By continuously evolving workspaces, Unitile has created environments that are modular, highly operational and sustainable - transforming the way we work for all!

Knauf: - Founded in 1932, Knauf is one of the world's leading manufacturers of construction materials for interior design, building insulation, raised access flooring and design ceilings.

WASTE WATER MANAGEMENT

SEWAGE TREATMENT PLANT

NeoTech Water Solutions: - NeoTech Water Solutions is a reckoned name offering excellent quality products. We are listed amidst leading Manufacturers, Exporters, Importers and Suppliers bringing forth products that includes Sewage Treatment Plant, Effluent Water Treatment Plant, Ultra Water Filtration System, Dissolved Air Flotation System, Fixed Surface Aerator, Floating Aerator, Static Mixer, Central Drive Clarifier, Oil Skimmer and Oil Separator. We are a leading name, committed towards bringing forth premium grade Industrial Products in the scheduled time span. Apart from the ultra-modern and massive infrastructure, we have latest machines and technology as well. We are capable of entertaining bulk orders of the clients as we have capacious storage and logistics facilities available.
