Sh. Qais Salim Al Khalili
Chairman & Group Managing Director

Chairman's Message

If the last century was about meeting human needs, this one is about matching human aspirations. We live in a world where the young reach higher, dream bigger and demand more; a world that is challenging the limits of hope and possibility. Nowhere is this more strikingly visible than in Oman, a country that wakes up every morning a little younger in age, but infinitely more ambitious in spirit. This brave new Oman shows the poised nature of youth with their desire for real and rapid change and for a quality of life that is second to none. They are also driving the push for world-class infrastructure, products and services in the fields of transportation, communications, energy, information, entertainment, technology, education, healthcare and personal finance.

The Al Khalili Group embodies the spirit of this evolving and resurgent Oman and stands ready to adapt to the changes needed to see their desires come into fruition. Our goal is not just to build a great enterprise for our stakeholders, but to build a great future for our employees, business associates and, more importantly, our nation and the world at large. It is to give hundreds of millions of people the power to fulfil their dreams, shape their own destiny and the means to realize their true and diverse potential.

About Us

Al Khalili Group, founded in 1976, is a versatile and progressive business entity with a robust corporate ethos and a history of effective governance. The group operates in various sectors including:

- Civil & Electromechanical Contracting
- Interior Fit Out And Turn Key Projects
- Fire & Safety Projects Execution
- ICT & ELV Integration Services
- Lighting, Home Automation & BMS
- Electrical Installations
- Retail & Project Supply of Building Materials,
- Tools & Hardware, Industrial Equipment,
- Home Improvement Products,
- Electrical & Lighting Products
- Logistics & Supply Chain Services
- Facility Management Services
- Real Estate Development
- Auto Detailing Services

Over the past decade, the group has grown into a successful multimillion-dollar business conglomerate through its ability to adapt to the changing needs in the market and acquiring exclusive international brands. Looking ahead, the group has positioned itself for a strong future through geographical diversification with presences in the OMAN, UAE, QATAR and other GCC countries and further afield.

Recognizing the shift from global economic climates to evolving trends in the local community, the Al Khalili Group embraces the changes and has geared its core business philosophy of client success to offer seamless support and comprehensive product options.

The Al Khalili Group aims to deliver maximum value and make tangible differences to the success of clients, communities and Oman's economy through leveraging its cumulative strength of products and services and influence within the business diaspora.

Al Khalili
United Enterprises LLC

PRODUCT & SERVICES

Al Khalili United Enterprises LLC

Al Khalili United Enterprises marked the beginning of what has grown into the Al Khalili Group, a prominent and diverse business entity headquartered in Muscat, Sultanate of Oman. Established in 1976, Al Khalili United Enterprises has progressively diversified into various business verticals, including building materials, hardware, power tools, construction machinery, paints and chemicals, and electronics.

In Oman, Al Khalili operates over 20 retail outlets across all governorates, supported by numerous sub-dealers, traders, and subcontractors/applicators representing the full range of Al Khalili products and services. The group is the largest in Oman and the exclusive distributor of many renowned global brands from the USA, Canada, South America, the UK, Europe, the Far East, and Asia.

Al Khalili is the preferred vendor for various governmental organizations and a trusted partner to all major contractors in Oman.

A photograph of an industrial refinery facility. The scene is dominated by large, bright red pipes that run horizontally across the foreground and middle ground. These pipes are supported by metal brackets and are part of a complex network of piping. In the background, there are more industrial structures, including metal walkways, ladders, and large storage tanks. The sky is blue with some white clouds. The overall lighting is bright, suggesting daytime.

OQ Duqm Refinery - Oman

Al Khalili Specialized Projects LLC

Fire & Safety Division

The Fire and Safety Division, a subsidiary of the Al Khalili Group, offers comprehensive design, engineering, and integrated intelligent solutions in fire detection and protection systems. We also provide fire protection equipment, safety systems, HSE and PPE products, and specialized fire brigade products and equipment.

Our highly qualified and experienced team delivers professional, quality maintenance services through our fully equipped service center, specializing in fire protection, safety, and rescue equipment.

We are an approved installation and maintenance contractor for the Public Authority for Civil Defence and Ambulances (PACDA) and the Directorate General for Civil Defence (DGCD) in Oman.

A high-angle photograph of a modern kitchen. A large, dark grey island with a matte finish is the central feature. It has a built-in induction cooktop with five burners. The island's base is decorated with vertical slats. Two orange velvet bar stools with metal frames are tucked under the island. In the background, dark grey cabinetry with horizontal lines and a glass-fronted display cabinet with gold-colored lighting are visible. The floor is made of light-colored wood planks.

Al Khalili Specialized Projects LLC

Interior Surfaces & Counter Tops

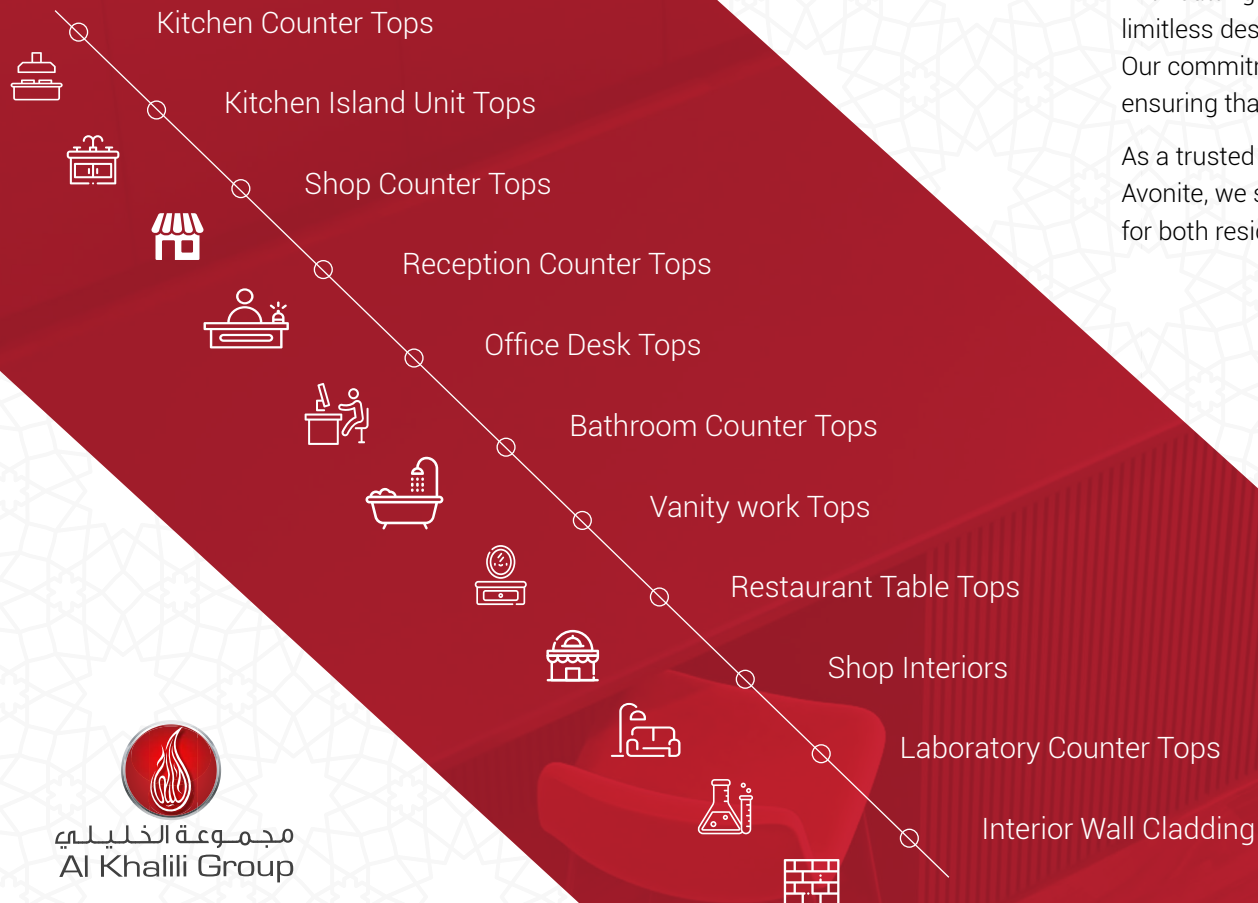

Al Khalili Specialized Projects LLC
