**LOOK GOOD. SEE BETTER.**

# EYE PROTECTION

## ELIPTA

With a contemporary and sporty design, ELIPTA™ safety glasses feature an adjustable nose bridge and flexible temples to provide sturdy and comfortable protection for a wide variety of applications.

### Features

- Contemporary sports style frame
- Soft adjustable non-slip TPE universal nose bridge
- Soft flexible co-injected temples further maximise wearer comfort
- Supplied with a microfiber storage pouch
- Weight 28g
- 8-Base lens

## SISINI BLACK REVO

Constructed from an extremely durable and lightweight metallised frame and featuring an interchangeable lens option, SISINI™ is an extremely robust and versatile option for the majority of applications requiring safety eyewear.

### Features

- Sports style design
- Dual moulded temples with TPE temple ends for maximum fit and comfort
- Soft adjustable PVC nose bridge
- Easy fit interchangeable lens option
- Revo and polarised lens tint options available
- Supplied with a microfiber storage pouch
- Weight 27g
- 8-Base lens

## STEER CLEAR/GRAY

Housed in a contemporary bronze metal-effect frame, with a soft, ventilated nose bridge and textured temple tips, Riley STEER™ protects and fits comfortably in equal measure.

### Features

- Stylish contemporary sports style design
- Deep fit lenses give close fitting protection whilst retaining a panoramic field of vision
- Soft adjustable TPE comfort nose bridge
- TempFLEX™ temples with soft TPE temple tips for maximum fit and comfort
- Supplied with a microfiber storage pouch
- Weight 25g
- 8-Base lens

## STREAM RED CLEAR/GRAY

Models in the Riley® STREAM™ range offer a perfect blend of safety, stylish modernity and sporty elegance. This lightweight sports-style safety spectacle features flowing lines and extremely flexible side arms that result in pure wearing pleasure.

With our high performance TECTON 400 anti-scratch and anti-fog coating applied to BOTH sides of the lenses, STREAM is a product that can endure and provide vision clarity over long periods.

Riley STREAM™ is available with either Red, Green or Blue side arms (see tabs on the left).

### Features

- Single wraparound polycarbonate lens
- Soft, adjustable, anti-slip nose bridge
- Flexible temple tips
- Co-injected bi-color thermoplastic rubber temples provide a secure fit
- Slim temples enhance comfort when worn with ear defenders
- Lateral protection
- 100% metal free
- Supplied with a microfiber storage pouch
- High performance TECTON 400 anti-scratch and anti-fog coatings applied to BOTH sides of the lens
- UV400 protection
- Weight 23g
- 9.5-Base lens

## FRESNA CLEAR / GRAY

Manufactured from a robust polycarbonate frame, FRESNA™ safety glasses do not contain any metal parts and so help protect eyes from electric arcs that may form while working on electrical equipment or heavy machinery.

### Features

- 100% metal free
- Wide angle vision
- Close fitting lateral protection
- Universal nose bridge
- Slim temples enhance comfort when worn with ear defenders
- Lightweight: 26g
- 8-Base lens

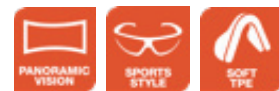

The slim temples enhance comfort when worn with ear defenders.

## QUADRO GRAY

QUADRO™ offers high level comfort and wide angle vision in a versatile frame. The side arms can easily be removed and replaced with the head strap to provide an enhanced fit in challenging conditions.

### Features

- Sports style design
- Single piece panoramic lens
- Soft comfort TPE inserts on temple ends
- Washable, soft TPE/foam inner frame seal provides a close, comfortable facial fit
- Side-arms can be removed and easily replaced by the enclosed head strap
- Supplied with a microfiber storage pouch
- Weight 31g
- 8-Base lens

## AREZZO CLEAR

Compact and lightweight safety goggle offering protection against liquid droplets as well as impacts. The low-profile design enhances the field of vision and a comfortable fit is guaranteed thanks to the fully adjustable head strap.

### Features

- Ultra slim design
- Soft PVC comfort frame
- Fully adjustable pivotable head strap

## VELIA

The Riley VELIATM safety goggle has a clear polycarbonate wraparound lens offering 180° field of vision for complete eye protection.

### Features

- Wide field of vision
- Padded face seal
- Strong polycarbonate lens
- Soft PVC/TPE frame and comfort fit nose bridge
- Quick release head strap
- Spare rubber strap for cleanroom use
- Adjustable, pivoted elasticated head strap
- Molten metal splash protection
- Can be worn over a prescription frame
- Weight 84g

The pivoting head strap and soft, padded seal allows for a comfortable fit and an accompanying rubber strap can be used for clean room applications.

## BM08 CLEAR / DARK GRAY

Safety spectacle. Single piece polycarbonate frame.

### Features

- Lateral protection
- Universal Nose Bridge
- Slim temple tips
- Weight: 28g.
